## **Mr. Winters Fees**

The safe, efficient and reliable running of a private surgical practice requires fees greater than the government provides Medicare rebates for. As a result there are out of pocket fees associated with our services. Private health insurance does not cover private outpatient costs, but does make significant contributions to the costs of surgery. Our goal is to provide high quality healthcare while making every effort to minimise your costs.

### **PRIVATE CONSULTATION FEES**

Initial Consultation: \$190 (Medicare rebate: \$72.75)  
Extended Consultation: \$230 (Medicare rebate: \$72.75)  
Review Consultation: \$90 (Medicare rebate: \$36.55)

### **TAC/WORKCOVER CONSULTATION FEES**

TAC/ Workcover consultations are billed directly to the relevant company provided a patient has a valid claim number & does not have an excess to pay. Without a claim number, private fees will apply.

### **APPLICATION OF CASTS**

Full Fibreglass Cast: \$60-\$120  
Medicare does not provide a rebate for cast application
